

# Animal Talk

## Set 1

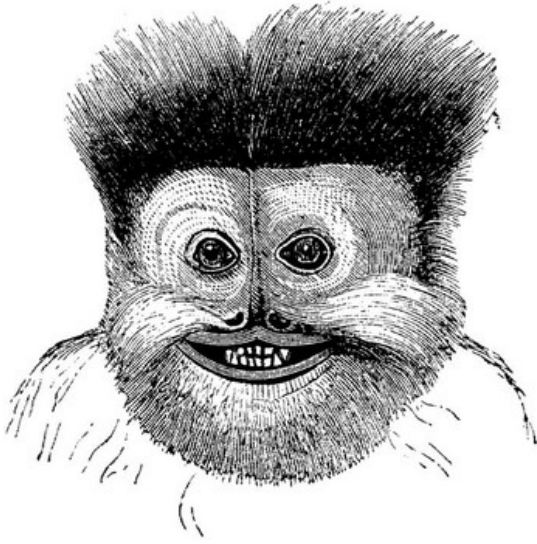

Throughout the centuries, animals have been our helpers, devoted companions, and means of survival. Our relationship with them is mirrored in many of the expressions and figures of speech that we use to endear, poke fun, name a song, criticize, or just add a little extra flavor to our lives.

Fill in the blank in each item below with the name of an animal.

**Example:** go on a wild goose chase

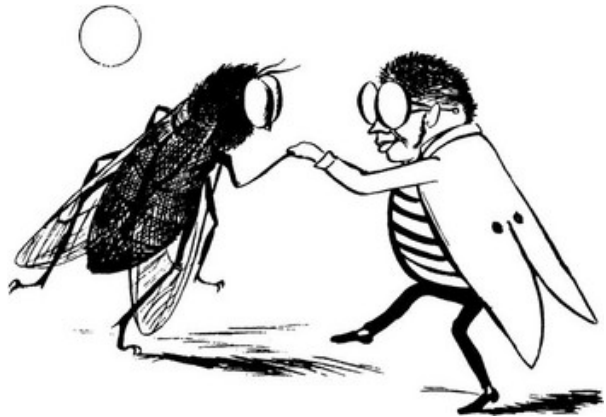

1. \_\_\_\_\_-eared pages in a book
